Directions from Johannesburg/Pretoria

1. Take the N1 north to Polokwane.
2. 28km after the third toll gate (Kranskop) once you have left Pretoria take the R101 turnoff to Mookgophong (Naboomspruit). Continue straight through Mookgophong on the R101. Make sure you keep the speed limit going through Mookgophong as they often speed trap in the town.
3. 30km after leaving Mookgophong turn left at the Sterkrivier turn-off.
4. After 29km you will pass a road to the right at the local school (sign for Nordi Fruit).
5. Continue past the school (on the main road) for a further 2km. You will reach a road going to your left, and the gate to Roundstone on your right. Open the gate and proceed straight down the gravel road to the lodge (+- 500m).

The total distance from JHB is about 280km. We work on a drive time of between 3 and 3.5hrs depending on the traffic going around Pretoria. If possible, try and get past Pretoria before 4pm in the afternoon otherwise you can sit in the rush hour traffic for a while.

If you need to stop the best place to stop is either the Engen garage just before the Kranskop toll gate or at the Wimpy in Mookgophong
